GOVERNMENT OF KERALA

Abstract

LIBRARIES—PAYMENT OF ANNUAL GRANT TO LIBRARIES—STANDARDS LAID DOWN FOR GRADING LIBRARIES—FURTHER REVISION OF—METHOD OF FIXATION OF GRADE—ORDERS—ISSUED.

Education (H) Department

G. O (Ms) 110/Edn. Dated, 21st February 1963

Read : G. O (Ms) No. 98/Edn. dated 5-2-1958.

2 G. O (Ms) No: 448 Edn. dated 10-7-1962.

3 Correspondence resting with letter No. M1-158371/1962 dated 2-2-1963, from the Director of Public Instruction.

4 Letter No. 318 dated 11-2-1963, from the General Secretary, Kerala Grandhasala Sanghom

ORDER

In the G. O. read as first paper, Government laid down the rules for the payment of annual grant to Libraries. In the G. O. read as second paper above, Government have laid down revised standards for grading libraries for payment of grant and also modified the rule regarding the time-limit of utilisation of grant. The General Secretary, Kerala Grandhasala Sanghom has since pointed out the necessity for a further revision of the standards and has requested to lay down fresh standards. The question was considered in detail in consultation with the Director of Public Instruction and Government are pleased to pass the following orders:

(i) G. O. (Ms) No. 448 Edn. dated 10-7-1962 is hereby cancelled.

(ii) In supersession of all previous orders, the standards for grading libraries for payment of annual grant will be revised and prescribed as in Appendix.

(iii) The method of fixation of grade of the Libraries on the basis of the standards in the Appendix will be as follows :—

(i) The Grade of a Library will be basically fixed on the basis of two items (i) Number of Books, (ii) Number of times books issued per year. The grade will first be fixed on the basis of the number of books-viz-Bookstock. If the number of times books issued per year viz book issue is sufficient for that particular grade, that grade will be provisionally assigned to the Library. But, if all the other conditions except the book stock for a particular grade are satisfied by a Library, condonation of 5% of the total number of books required will be allowed to make the library eligible for the particular grade.

LIBRARY ARCHIVES Kerala Legislative Assembly

(ii) If there is deficiency to the extent of one grade from the number fixed for issues of books of a particular grade, the classification fixed on the basis of book stock will not be altered, provided all the remaining conditions are satisfied. But the classification will be reduced by one grade, if in addition to the above deficiency, there is any deficiency in more than one of the conditions specified under items 2, 4, 5, 6, 8, 9 and 10 in the standards.

Illustration :

Suppose a Library having book stock of 10,000 but having issue of books only below 17,000 and above 12,000. Then when fitting the grade of the library on the basis of the book stock, the Grade Al will have to be provisionally assigned. But this library has not the required number of issues of books corresponding to Al Grade whereas it has issues of books corresponding to A Grade only. But in this case, the classification need not be reduced by one grade from that eligible for book stock provided if all the other conditions under items, 2, 4, 5, 6, 8, 9 and 10 are satisfied for Al Grade. In that case Al Grade can be assigned to the Library. But if there is any deficiency in more than one of the conditions under items 2, 4, 5, 6, 8, 9 and 10 then, the classification will be reduced by one grade and the Grade A assigned to the Library.

(iii) If the deficiency of issue of books is to the extent of more than one grade, the classification of the library fixed on the basis of book stock will correspondingly be reduced in accordance with the deficiency of issue and the next higher grade will be fixed for the library.

Illustration :

If a library has a book stock corresponding to Al Grade but book issue only corresponding to Bl Grade, the Library will be given A Grade provided all the other conditions in items 2, 4, 5, 6, 8, 9 and 10 are satisfied for A Grade. But if there is deficiency in more than one of the conditions under items 2, 4, 5, 6, 8, 9 and 10 then the classification will be reduced by one more grade and the next grade viz-Bl Grade alone will be assigned and so on.

(iv) If there is an increase in the number of issues to an extent of two or more grades, the classification will be raised by one grade.

Illustration:

Suppose a library having a book stock for H Grade only but having book issue for G or any other higher grade, the classification will be raised by one grade and next higher grade viz-H1 will be fixed.

(v) If the average cost of books is below Rs. 2 for the resultant Al to B Grades and below Re. 1 for other grades, the classification will be further reduced by one grade.

(vi) In the case of E to H Grades Libraries, the classification will be raised by one Grade for the possession of newly constructed building for the first year only.

LIBRARY ARCHIVES Kerala Legislative Assembly

(vii) This classification will further be raised by one more grade for the possession of any one or more of the following Social or Cultural activities in the Library—(1) Possession and use of Radio Set, (2) Adult Education Classes, (3) Hindi Classes with a minimum strength of 15, (4) Arts Club and (5) Women's or Children's Activities.

(viii) Whatever be the deficiency in the remaining conditions under items 5, 6, 8, 9, and 10 no reduction will be made in the classification. But if all or more than two of these conditions are nil, a reduction of one grade more will be made.

(ix) Whatever be the deficiency of any library, if it satisfies the minimum conditions regarding the book stock and issue the minimum grade H will be given.

(x) If there is any library which does not even satisfy these minimum conditions, the library will not be considered eligible for any annual grant.

By order of the Governor,
N. SANGAMESWARAN,
Assistant Secretary.

To

The Director of Public Instruction

The General Secretary, Kerala Grandhasala Sanghom

The Accountant General (This order issues with the concurrence of Finance Dept. vide that Dept's number quoted below)

H	,,	600—700	,,	,,	5	1200	60	—	60	100

1. A deficiency of 5% of books in the book-stock required for a grade will be condoned provided such libraries satisfy all other conditions.

2. Such of those libraries which have completed the construction of their own buildings shall be given encouragement by raising them to the next higher grade provided however that this benefit will be only for the first year after the construction of the building.

3. The value of the books in stock will be taken into consideration. The majority of the books in stock in the libraries coming under I to C Grade should comparatively be of better standards than those stocked in the libraries of the remaining grades. These Libraries will be equipped with classics as well as reference books. The average cost of the books stocked in the libraries of C1 to H Grade should be Rs. 1.50 while that in the case of libraries of A1 to B Grades should be Rs. 2.50.

4. Publications received from Government or from any other sources should not be considered for fixing Grade.

5. Libraries having Radio Sets, Women's or Children's activities, Adult Education Classes, Hindi Classes, Arts Clubs, Circulating system or any other Social activities will be given one grade more and the next higher grade fixed.
